

Technical Workshop - ERTAC EGU Growth Model
Monday, May 20, 2013 at 10:00 AM (CDT)
9501 W Devon
Rosemont IL 60018
Lower Level Conference Room

To: EGU Contacts, States, Interested Stakeholders

From: Mark Janssen – LADCO

Subject: Technical Workshop on Eastern Regional Technical Advisory Committee (ERTAC) EGU Growth Model

LADCO is hosting a technical workshop on Monday May 20th 2013 at 10:00 AM (CDT) to discuss the details of the ERTAC EGU growth committee's work on the development of a tool to project future activity and emissions from electric generating units. The goal of this workshop will be to familiarize technical staff with the attributes of the ERTAC model and discuss how LADCO can work with stakeholders to improve the model for future regional air quality modeling efforts.

LADCO asks that interested parties contact Mark Janssen (Email: janssen@ladco.org) by April 22 with an expression of interest to attend the meeting.
